

## AMERICAN COLLEGE OF NUTRITION

To all members

Now that we have completed another successful annual meeting at Long Beach, it is not too soon to start to submit your suggestions of symposia topics for the 2005 meeting at Kiawah Island Resort (Sep 22 to 25), Charleston, SC.

It is a resort with excellent amenities and would be a great opportunity to relax while having a great educational experience.

To facilitate the coordination and planning, please list:

- \* Title:
- \* Moderator/s:
- \* Program description: Education goals for the symposium and for each session in the symposium
- \* Proposed Topics/Speakers: up to 4
- \* If you wish to organize and chair this session, feel free to nominate yourself.

The above information can be e-mailed to: [office@amcollnutr.org](mailto:office@amcollnutr.org) . We will forward them to the program committee for consideration.

Sincerely,

Dr. Winston Koo  
ACN Program Chair 2005  
President Elect
